**BUREAU VERITAS ABU DHABI
CERTIFICATE OF DESIGN APPRAISAL
ADH.40C2.236/CD1**

Client : **THRISLINGTON GULF**
Description : **Truss Frame, Post, Roof & Wall Panels for Cleanrooms**

The undersigned, acting within the scope of the Bureau Veritas General Conditions of Service which regulate the interventions of the Society, certifies that the design of the main components of the Cleanrooms (truss frame, post and panels) have been appraised according to the AISC ASD 9th Edition, and found to comply with the applicable Code. The details of content and conditions of the design appraisal are given in the attached Annex of the present certificate No ADH.40C2.236/CD1.
